## Distinguish Yourself as a Certified RGD

This package contains all the information you need to complete the RGD Certification process.

Certified RGDs have a demonstrated understanding of business best practices, accessible design principles, research methods and ethics, and the application of strategic design principles to marketing and communications challenges.

Our Members span across the design disciplines engaged in developing effective communications, from editorial designers to motion designers, brand designers to environmental graphic designers, UX designers to information designers, design educators, design managers, and more.
