

# A DESIGNER'S arsenal

The life of a designer is filled with many tools, from sharp ones to caffeinated ones, and a little bit of chance thrown in there. This motion graphic explores a snappy, geometric animation style to portray these tools and reminds us of our dedication to our craft.

blade

for cutting papers  
...and fingers

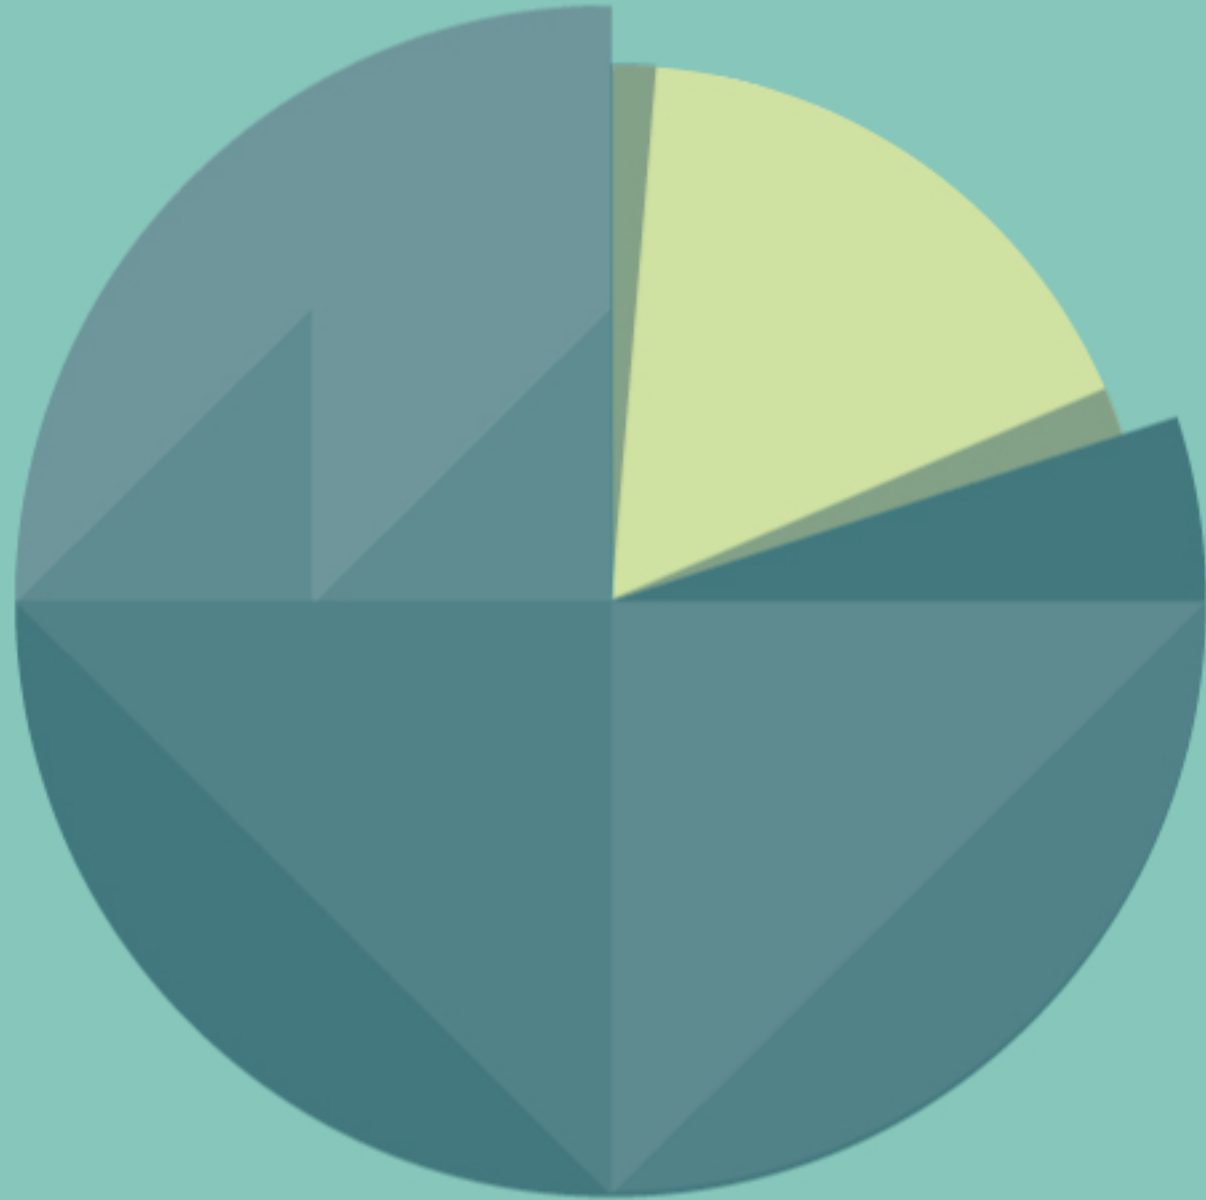

COFFEE  
for those long nights

**sweat**  
mental sweat, anyways

**LUCK**

20% skill

80% happy accidents

+ A WHOLE LOT OF  
**LOVE**  
FOR WHAT WE DO
