Certification Application

Design Practitioner

Introduction

RGD Candidates have the option of applying as Design Practitioners, Design Manager or Design Educators. The three applications are each customized for the skillsets and types of submissions anticipated for each group.

Design Practitioners are asked to submit 6 examples of their professional Design Work, demonstrating an ability to develop and implement strategic design solutions through a clearly-articulated design process.

Candidate Profile

In order to ensure you have achieved the Eligibility Criteria for RGD Certification, we ask that you begin your application by outlining your relevant professional experience and education, as well as providing personal information so that we can be in touch. Details on the Eligibility Criteria appear at rgd.ca/rgdeligibility.

Once you have completed this form, please email it to certification@rgd.ca.

Case Study Submission

In order to ensure your Portfolio Presentation goes smoothly, we ask that you submit case studies and images for the 6 projects you plan to present to your 3 Portfolio Evaluators.

Members of our RGD Evaluation Committee will conduct a preliminary survey of the images and text you have submitted to ensure that our Portfolio Evaluators have the material they will need to make an effective assessment of your knowledge and skills.

Details on the Criteria for Case Studies appear at rgd.ca/casestudies

Case Study 1

Type of Work (choose one)

Pro Bono

Self-published

Professional

Project Title

Client Name

Date Project Completed

Your Role in the Project

MM / DD / YYYY

Project Description

Describe the project brief, including assignment background and project goals and objectives.

Research and Analysis

Describe your preliminary work on this project, including things like research, analysis or other information gathering and investigation.

Case Study 1

Design Process

Briefly describe the design process you used, from initial concept exploration and presentation through to acceptance by the client.

Design Solution and Deliverables

Describe how the design solution and deliverables satisfied project goals and objectives.

Special Circumstances

Describe any special circumstances and/or challenges on this project, and how you handled them.

Supporting Materials

Is this project available for viewing online?

Yes, at the following URL:

No, I will upload my materials:

Case Study 2

Type of Work (choose one)

Pro Bono

Self-published

Professional

Project Title

Client Name

Date Project Completed

Your Role in the Project

MM / DD / YYYY

Project Description

Describe the project brief, including assignment background and project goals and objectives.

Research and Analysis

Describe your preliminary work on this project, including things like research, analysis or other information gathering and investigation.

Case Study 2

Design Process

Briefly describe the design process you used, from initial concept exploration and presentation through to acceptance by the client.

Design Solution and Deliverables

Describe how the design solution and deliverables satisfied project goals and objectives.

Special Circumstances

Describe any special circumstances and/or challenges on this project, and how you handled them.

Supporting Materials

Is this project available for viewing online?

Yes, at the following URL:

No, I will upload my materials:

Case Study 3

Type of Work (choose one)

Pro Bono

Self-published

Professional

Project Title

Client Name

Date Project Completed

Your Role in the Project

MM / DD / YYYY

Project Description

Describe the project brief, including assignment background and project goals and objectives.

Research and Analysis

Describe your preliminary work on this project, including things like research, analysis or other information gathering and investigation.

Case Study 3

Design Process

Briefly describe the design process you used, from initial concept exploration and presentation through to acceptance by the client.

Design Solution and Deliverables

Describe how the design solution and deliverables satisfied project goals and objectives.

Special Circumstances

Describe any special circumstances and/or challenges on this project, and how you handled them.

Supporting Materials

Is this project available for viewing online?

Yes, at the following URL:

No, I will upload my materials:

Case Study 4

Type of Work (choose one)

Pro Bono

Self-published

Professional

Project Title

Conclusion

Thank you so much for completing your Application for RGD Certification.

We ask that you assert the following:

I certify that the statements in this application are complete and true to the best of my knowledge.

I certify that all of the work submitted in my Case Studies was accepted and produced by the client or was self-published.

Signature

Once you have submitted the Application, RGD will be in touch to confirm your eligibility and outline the next steps in the Process which involve a Portfolio Presentation of the work submitted here and an Online Test. Please email certification@rgd.ca if you have any questions.
